

## **One Burke Infrastructure Task Force**

### **Meeting Minutes**

**11/28/17**

### **Burke Community Building**

#### **Present:**

Tammy Wagner, chair

Des Hertz, Jake Wheeler, Cathie Wheeler, Tom Manges, Jackie Manges, Mike Harris, Linda Lotti, Kevin Mack, Sean Montague, Tom Blake

#### **Discussion:**

- Reviewed and approved minutes from Nov.1 meeting
- Kevin Mack, Burke Mtn, reviewed report from Burke Mountain waste water report from March 2006
  - Running a waste water pipe from Burke to Lyndon is feasible
  - Estimated cost 11 years ago from just Burke Mtn, not village, was \$10 million.
  - Does not include West Burke system
  - Is a leach field possible for East and West Burke?
- Sean Montague talked to folks from the state and they recommended that we contract for a feasibility study for a town of Burke drinking and waste water system(s)
  - There is grant money available from the state for such a study
  - Study could outline :
    - Options for solutions for municipal drinking and waste water systems for both villages
    - Cost
    - Assess water quality
  - It was recommended that Dave Snedecker from NVDA be invited to meet with our task force ASAP

Action Steps:

- Tammy Wagner will also invite a selectboard member to the meeting with Dave Snedecker
- Mike Harris, West Burke village trustee, will also attend this meeting
